A Progress Report had been circulated prior to the meeting. The project is running on target. A training session for partners has been arranged for 29 November.

ANW wedi 2005 *ANW after 2005*

GJ reported that there had been no response yet from HLF to the UK-wide Linking Arms bid which includes the ANW2 proposal. Unless it were approved in December, then alternatives would have to be explored, including an approach to HLF Wales for ANW2 as a stand-alone project. There was discussion about when to contact HLF Wales, but it was concluded that it would be best to wait for the Linking Arms response first. The PMG meeting in January would review the situation.
